Ceding Carrier Information Verification and Database Updating

2,929 Carriers (8.21)

- 2,089 = 100% Life/Annuity Carriers
- 247 Banks
- 195 Mutual Fund Carriers
- 237 Brokerage Firms
- 148 Pension Administrators
- 13 Trust – Financial Institutions

Cooperative Technologies verifies all ceding company information pertinent to completing a replacement of funds, including processing location addresses, contact numbers and replacement requirements.

Ceding carrier data is obtained from multiple sources, including: Direct from Carriers, Regulatory, Commercial, Private Collection and Public Domain.

On a weekly basis, hundreds of data fields are verified, updated or added to the database and made available for our client’s use. If critical changes occur between scheduled updates, such as eSignature acceptance rules, additional interim updates may be published.
